

HOW TO PREPARE FOR YOUR WILL MEETING

A little preparation helps us make the most of our time together.

The more information you can provide, the easier it is for me to understand your wishes and create a Will that truly reflects what matters most.

BEFORE OUR MEETING

Follow these simple steps to get ready:

1

THINK ABOUT YOUR LOVED ONES

Consider who you would like to include in your Will – partners, children, stepchildren, other family members, friends, or charities.

5

CONSIDER SPECIAL WISHES

Are there any particular gifts, responsibilities or wishes you want me to be aware of?

2

LIST YOUR ASSETS

Make a list of what you own, such as your home, savings, investments, cars, personal belongings and any business interests.

6

GATHER IMPORTANT DOCUMENTS

If you have an existing Will, or any documents about trusts, policies or property, please bring them along.

3

ESTIMATE VALUES

You don't need exact figures, but rough values help us plan effectively, especially when it comes to Inheritance Tax.

7

BE OPEN & HONEST

The more open we are about your circumstances, the better I can advise you and protect your loved ones.

4

THINK ABOUT CHILDREN UNDER 18

If you have children under 18, consider who you would like to appoint as guardians.

8

WRITE DOWN ANY QUESTIONS

No question is too small. I'm here to help and explain everything clearly.

» YOU WILL RECEIVE FROM ME BEFORE OUR MEETING:

PRE-MEETING QUESTIONNAIRE

A simple questionnaire to complete in your own time so I can understand your situation before we meet.

PLENTY OF TIME

Our meeting is relaxed and unrushed – so you have the time you need to talk things through.

EXPERT GUIDANCE

I will guide you every step of the way, so you can feel confident your Will is in safe, professional hands.
